

Board of Supervisors Special Meeting with Keystone Helicopter September 10, 2003

The Board attended a special public meeting conducted by Keystone Helicopter on Wednesday September 10, 2003 commencing at 7:00 p.m. Present were Supervisors Mr. Garris, Mr. Doratt, and Mr. Franciscus and members of the community. Mr. Garris turned the meeting over to Mr. Steve Townes CEO of Keystone Helicopter.

Attached and made part of these minutes is the information that was reviewed and discussed with regards to the Noise Analysis Study for the Keystone Helipad.

The most popular question was “What if the pilot decides to veer off the flight path once he’s in the helicopter. The question was answered by stating if the pilot violates the rules they will be without a job, its part of our policy. Mr. Townes stated that all the pilots are professional and a hot line and after hours line will be set up to answer all questions or concerns that residents may have.

With there being no further business, the meeting was adjourned.

Respectfully Submitted,

Lisa Myers
Secretary
