

## Road Construction Notice

Please be advised that Fidelity Contracting will be closing Valley Road / SR372 (between Newport Ave. and Eastern Ave.) for the purpose of replacing two (2) sanitary sewer manholes.

**The work is expected to begin on Monday July 13<sup>th</sup> and be completed by Friday July 17<sup>th</sup>.**

The closure will be full-time / 24 hour, and will include a detour which is approved and authorized by PennDOT.

While the manhole construction is underway, we will also commence with pavement restoration from the sanitary sewer pipeline installed this past winter. Pavement repairs will also begin **July 13<sup>th</sup>**, and will proceed in this sequence:

- 1.) Valley Road (from Strasburg Road to Old Wilmington Road), southbound lane (while detour is in place).
- 2.) Valley Road (Old Wilmington Road to Newport Ave.), westbound lane (while detour is in place).
- 3.) Valley Road (Buck Run Bridge to Old Stottsville Road) eastbound lane. No detour; through-traffic will be flagged.
- 4.) Old Stottsville Road (Strasburg Road to Boro Line Road), fill-width paving; Single-day road closure.

Information signs will be placed in Pomeroy next week for advance notice to motorists and local residents.

Contact information for the project is as follows:

***Robert Wilpizeski***
