Ms. Stewart called the meeting to order at 7:05 PM. Due to a lack of public attendance, the moment of silence and the Pledge of Allegiance were waived.

The Commission spoke about the flower donation made by Mr. Lymberis on behalf of the Commission. Since Mr. Lymberis could not attend this month, members pledged to make their donations to him at the March meeting.

Mr. Jessey informed the Commission about the Township's idea to build a gazebo on the passive open space at the western side of the Sadsbury Square development, instead of the bench previously discussed. With key members unable to attend this month, the Planning Commission will discuss the matter further during the March meeting.

Announcements and Correspondence

Mr. Jessey informed members that the Township would be happy to let the Commission advise the Supervisors on strategies to enhance and improve the Township for the residents, and that the Township had pledged to provide the Commission with copies of the Comprehensive Plan to help with that goal. Mr. Jessey noted extensions to land development plans granted by AZ Parkesburg and Stottsville Inn.

With no further announcements or public comment, Ms. Stewart asked for a motion to adjourn the meeting at 7:45 PM. Mr. Jessey made the motion, seconded by Mr. Alcorn. The motion passed unanimously.

Respectfully submitted by Simon Jessey
